One of the highlights of the celebration was the creation of a beautiful hut adorned with crib items, symbolizing the birth of Jesus Christ, crafted by the efforts of all the students. This hut was a symbol of the traditional nativity scene, reminding us of the story of Jesus' birth and adding a touch of warmth and spirituality to our festivities.

During the celebration period, various activities were organized by the SNA Unit to engage students and spread Christmas cheer. Students sang carols together, filling the air with melodies of joy and harmony. Additionally, special prayer sessions were held, giving us a chance to reflect on the true meaning of Christmas and express gratitude for our blessings.

The surprise visit from Santa Claus brought an extra dose of joy and excitement to the Christmas celebrations at Narayana College of Nursing. Through their thoughtfulness and generosity, the students created unforgettable moments and strengthened the bonds of friendship within the hostel community. It was a beautiful reminder that the spirit of Christmas lives in the hearts of those who share love and kindness with others.

On Christmas Day, the SNA Unit arranged for a cake cutting ceremony, which was a highlight of the celebration. The delicious cake was shared among all the students, faculty, and staff, creating a sense of unity and happiness as we celebrated together.

## REPORT ON: DUSSEHRA FESTIVAL 15.10.21

Narayana College of Nursing under SNA unit, on 15.10.21, celebrated the festival of Dussehra, it is also known as Vijayadashami and celebrated with great joy and enthusiasm by the Hindu people all over the India.

The date of the festival is determined according to the Hindu lunar calendar. In 2021, Dussehra astrologically falls across two days, October 14 and 15, based on the position of the moon. Vijay Dashami is celebrated when Shraavan Nakshtra overlaps with Dashami, which occurs on October 15.

It is one of the most important religious festivals of the India. which falls in the month of September-October every year, is the celebration of Dussehra. On this day people wear new clothes, visit several fairs and enjoy a street-food and random shopping spree. All this enjoyment ignites the light of good in people's hearts to overcome whatever corrupt or unholy existed. The sole reason for celebrating this festival is to cast light on the importance of triumph of good over evil and light over darkness As Per the historical beliefs and most famous Hindu scripture, the Ramayana, it has been mentioned that Lord Rama had performed a chandi-puja (holy prayer to get blessings of the Goddess Durga Mata to kill the powerful demon, Ravana. Ravana was ten-headed demon king of the Sri Lanka who had kidnapped the wife of Lord Rama, Seeta to take revenge of his sister, Surpanakha. From then, the day Lord Rama killed Ravana was started celebrating as the Dussehra festival.

The Dussehra was celebrated for 10 days. Every day started with prayer song and welcome address was given by the B.Sc (N) students,Prasadam was distributed every day to all the faculty and students. all dignitaries were done the pooja for Durghamatha, ayudha Pooja was done by Mrs.B.Vanaja kumari, vice principal, and chanted the slogans, soon after completed the Pooja Prasadam was distributed to all the faculties and students.

Program continued with Deeparadana, slokam songs, which was organised by B.Sc(N) students. After the pooja prasadam was distributed, such as pulihora, kesari, vada, Boore, panchamrutham, payasam, curd rice, Bhellampongol, senagallu to all faculty of teaching and non-teaching staff and students. Students came dressed in ethnic clothes and watched some informative videos on Dussehra. The students were also made aware of Navratri and that some communities celebrate it as Durga Puja. The students seemed to be excited as they made an effigy of Ravana. Now they had their own Ravana ready to be burnt and they didn't have to celebrate the festival as they did every year. Teachers also shared some valuable information about the festival thus enhancing their learning. Every one enjoyed the function very much. This festival is celebrated with enormous zeal and enthusiasm throughout the country.
